Oil, Paint and Drug Publishing Co.,

72 WILLIAM STREET, - - - - - NEW YORK.

INDEX

TO VOLUME XXXIX

Editorials.

	Date.	Page.
The Paris green situation	Jan 7	5
The attempted window glass consolidation		5
Work in the petroleum fields during December		5
The general appraisers		5
Pig lead in 1890		6
Concerning arnica flowers		6
Crude cottonseed oil	14	5
A sudden change in linseed oil		5
Pig lead advances, white lead declines		5
Buckeye petroleum certificates		6
There is no glass combine		6
The linseed oil situation	21	5
A weak opium market		5
The petroleum statistics of 1890		5
The menhaden industry		5
Price cutting on proprietary goods	28	5
Obsolete oil rules		5
The glass trade demoralized		5
Home consumption of oil cake		5
The scarcity of residuum		5
The nitrate situation		5
Mineral resources of the United States		6
Petroleum exports in 1890		6
Death at the feast	Feb 4	5
The Lead Trust		5
The demoralized quinine market		5
Linseed oil interests in better shape		5
The decline in cocoanut oil		5
The proprietary medicine muddle		5
Chemical statistics		5
Ports of export for petroleum		6
Effects of the weather upon trade in Europe		6
An interstate commerce decision		6
Industrial securities	11	5
The proprietary medicine plan		5
A combine on fish oils		5
Reciprocity with Brazil		5
The Lead Trust statement		5
Midwinter work in the petroleum fields		5
The proprietary rebate plan	18	5
The Paint, Oil and Varnish Club		5
Gambier statistics		5
The alleged alcohol conspiracy		5
January petroleum statistics		5
The Torrey bankruptcy bill	25	5
A firmer quinine market		5
The duty on olive oil		5
Petroleum exports		5
To control the window glass market		5
The pure food and drug bill	Mch 4	5
The storage of petroleum in England		5
The soap makers' organization		5
Interesting features of the whalebone market		5
An unjust tax bill		5
The advance in brimstone		6
Paris green prospects		6
The pure food bill shelved	11	5
Effect of the tariff on poppyseed oil		5
The position of nitrate of soda		5
The petroleum fields in February		5
The Chemical Union gaining strength		5
Reported English cotton oil combination		6
The cotton oil season	18	5
Sponge dealers combine		5
The advance in cod liver oil		5
February petroleum statistics		5
The cod oil situation		6
Against menhaden interests	25	5
The shellac situation		5
The sponge combination		5
Exports of petroleum		5
Lard oil situation		6
Immature plans for protecting retailers	Apr 1	5
Probable reaction in window glass		5
The tax problem		5
Rejected oleo oil		5
The brimstone situation		5
Vanilla bean prospects		6
The nitrate situation	8	5
Consumption of German potash salts		5
A better outlook for window glass		5
The statistical position of lard		6
Paternal legislation on proprietary goods	15	5
The coupon protection plan		5
A new idea in paint, oil and varnish clubs		5
The glass trade situation		5
Export trade in oils		5
An advance in window glass	22	5
Paris green prices		5
March petroleum statistics		5
A probable advance in sponges		5
Paraffine wax		5
Freight discrimination	29	5
Dull times with the Soap Trust		5
The nitrate market depressed		6
Whalebone famine		6
April in the petroleum fields	May 6	5
The paint trade improves		5
The gambier outlook		5
The chalk market		5
Charles Pratt	13	5
Organization of the acid trade		5
Misrepresenting the quality of shellac		5
Erratic petroleum values		5
The olive oil case		5
Linseed oil interests		6
Acid from pyrites	20	5
Quinine possibilities		5
April petroleum statistics		5
The cod liver oil situation		5
Our exports of naval stores		5
The alkali trade	27	5
A depressed opium market		5
Window glass affairs		5
Exports of petroleum in April		5
Menhaden interests		5
The sharp decline in linseed oil	June 3	5
To popularize Buckeye petroleum certificates		5
Dyewood probabilities		5
Better prices for window glass		5
Merchandise by mail		5
The Chilian war and nitrate of soda	10	5
The position of codliver oil		5
The position of castor beans in the West		5
The petroleum fields in May		6
Low prices for gambier		6
The menhaden fishermen's combine		6
Imports and Exports for ten months	17	5
High prices for the Messina essences		5
May petroleum statistics		5
High prices for cutch		5
Another drop in linseed oil	24	5
Cottonseed oil interests		5
Our increased starch exports		5
The decline in salicylic acid		5
Exports of petroleum in May		5
Descriptive labels not subject to copyright	29	6
Exports of menhaden oil		5
The nitrate situation		6
The price of silver and East India Merchandise		—
Change of publication day		5
The decline in brimstone		6
Charleston's phosphate trade		5
A bromine war impending		5
